

# Carrier / Bryant Geo Thermal Equipment Installation and Service

Here is an opportunity for all the Geo Thermal dealers to get in on local training. Rather than travel out to Oklahoma, Peirce-Phelps Inc. will put on this full one day class on the Carrier /Bryant Geo thermal equipment. This class will cover installation and service for the equipment itself.

**Subject coverage** This class is for the new and **experienced** Geo Thermal dealer. Installation, startup and troubleshooting of the Carrier/Bryant Geo Thermal equipment will be covered.

**Duration** One full day 8AM-4PM.

**Cost** \$285.00 per person. *Cancellations must be within two business days prior to the class to avoid being billed. "No Shows" will be billed.*

**Included** Morning coffee and donuts, lunch, afternoon snack break and the complete Carrier/Bryant product manuals are included.
