

THE WHY AND HOW OF BRAZING

In this half day seminar for the experienced as well as those without any training on brazing; George Benyak, with Harris products, will conduct a hands on training class on the various aspects of correct brazing methods and materials. Students will need to bring their own torch kits with them to participate.

Class size is limited to insure all attendees have a chance to practice brazing. The class you sign up for is the class you must attend. NO jumping in on another scheduled class.

Class size per session is 16 by named reservation.

Duration Half day 8-12 noon

Cost \$45.00 per person *Cancellations must be made within two business days to avoid being billed. "No shows" will be billed.*

Price includes Training materials, handouts, brazing materials, coffee and donuts.

Attendees need to bring their own torch kit.
